

OTCN Business Networking Events Listing

- The service is FREE to use for member groups of OTCN as listed at http://www.otcn.co.uk/member_org.htm or OTCN events networks groups as listed at http://www.otcn.co.uk/events_network.htm or the listing sponsors.
- The FREE service is primarily intended to cover business events with a strong networking element and not for training courses, workshops or conferences.
- The FREE service allows OTCN member groups and events networks to list up to 4 events per month. If there are any more than that we will, as publishers, ask for a contribution to costs.
- As a guide we will use an upper end two-hour event duration and a maximum cost of £35 + VAT to indicate events that fit the criteria.
- The listing publishers may offer a slot to organisations with events that are outside of the FREE-basis criteria in exchange for a contribution to the costs of running OTCN as a volunteer-led, non-core funded organisation.
- The listing publishers will endeavour to post the correct information and keep it up-to-date, but as we are helping promote the events of other organisations we cannot take ultimate responsibility for any changes to event details.

Any questions about the service can be addressed to webmaster@otcn.co.uk
